

JUST ONE PERSON

If just one person believes in you.

Deep enough, and strong enough, believes in you.

hard enough, and long enough before you knew it,
someone else would think, if he can do it, I can do it.

Making it.. Two!

Two whole people who believe in you.

And if two whole people believe in you.

Deep enough, and strong enough believe in you.

Hard enough, and long enough there's bound to be some
other person who believes in making it a threesome.

Making it...Three

Three....people you can say, believe in me.

And if three whole people, why not...

Four. And if four whole people, why not.more.

More, and more. And when all those people believe in you,
deep enough and strong enough believe in you,
hard enough and long enough it stands to reason you,
yourself will start to see what everybody sees in you.
And maybe even you, can believe in you, too.
