ILLUMINATORS								
AoS expands our reach into the wider community through tailored performances, workshops, and other "a-la-carte"								
experiences, delivered in partnership with an array of community-based organizations.								
The AoS Illuminators are a key component of the Rising Stars Outreach Program.								
This group of Angels performs at various venues and events—schools, parks, business openings, and community and corporate gatherings—sharing the power of ILLUMINATED Abilities.								
Space in the Illuminators group is limited to approximately 20 participants, who are selected through auditions. To be								
considered for the Illuminators, participant families must:								
<ul> <li>Be willing and available to perform in at least 75% of Illuminator performances, for which there is often short</li> </ul>								
notice;								
<ul> <li>Provide standard costume elements (shirt, shoes, pants, etc.);</li> <li>Be able to participate with minimal group support;</li> </ul>								
<ul> <li>Be able to prepare for a performance with very little notice and little, if any, practice;</li> </ul>								
Be able to handle a wide spectrum of performance spaces;								
<ul> <li>Be enrolled in another AoS program (e.g., Super or Shining Stars).</li> </ul>								
The cost of this program is \$100, plus simple "uniform".								
Please initial one of the two options below								
I have read and understood the requirements for participation for the ILLUMINATORS and I would like my								
Angel to be considered for this program								
I am not interested in this program at this time
