1. ILLUMINATE Abilities with Angels on Stage

Help us celebrate our Angel on Stage!

Angels on Stage enhances the lives of children and young adults with special needs by breaking down stereotypes and empowering them to develop friendships, independence, confidence, self-esteem, and general life skills through the medium of professional performing arts.

Your contribution promotes success, community and self-expression for youth with differing abilities throughout the Northern California Bay Area. All proceeds made through this Sponsor-An-Angel campaign benefit Angels on Stage programs.

Thank you!

2. Angels on Stage is a one-of-a-kind place where my child's passion is nurtured and his/her abilities have room to shine and grow. At Angels on Stage children with differing abilities are celebrated for who they are. Through theatre arts experiences, they have the opportunity to build friendships, independence, and a strong sense of themselves.

Your donation will support a well-run, growing organization that is making a big difference in the lives of many children--including mine!

Please join us in supporting this amazing organization with a donation today, and consider sharing with your networks via email, Facebook, and Twitter.

THANK YOU!
