

AoS ANGELS ON STAGE

December 8, 2017

Angels on Stage (AoS) is an innovative nonprofit organization transforming the lives of children and adults with disabilities in our local communities.

AoS enhances the lives of children and young adults with special needs by breaking down stereotypes and empowering them to develop friendships, independence, confidence, self-esteem, and general life skills through the medium of professional performing arts. The AoS model provides an inclusive and collaborative approach through five unparalleled programs that bring together children and youth with special needs; their typically developing teen peers as buddy coaches; and adults with disabilities as leaders and role models.

In February and April, AoS presents professional level productions that showcase the learning that has taken place over the course of a season and change perceptions about individuals with differing abilities. These events are typically sold out and consistently impress and amaze audience members with the level of talent and professionalism on stage. We invite you to ILLUMINATE Abilities with us this season, when we present Aladdin Kids on February 17 and Aladdin Jr on April 6, 7, and 8.

Impacting your community

I am writing to request your support as a sponsor for our shows this season. In addition to the benefits associated with supporting the important and leading-edge services that AoS provides to individuals and families in our community, sponsors also receive full-color advertising or logo presence in playbills for four AoS shows on February 17 and April 6, 7, and 8, as well as the potential for additional complimentary benefits, depending on sponsorship level. AoS shows offer exposure to approximately 1,500 audience attendees, plus families and staff participating in AoS programs this season. Donors will also receive the benefits associated with supporting the important services that AoS provides to individuals, families, and the general public.

Please see the attached page, with sponsorship levels and choose the level that meets your needs and ability to support the work of this organization. I'm confident that there is a sponsorship level to fit your interest and your bottom line.

Thank you for your consideration. Please purchase a corporate sponsorship package at angelsonstage.org/corpsponsor, or contact Angels on Stage for additional information: 888.871.3331 or communications@angelsonstage.org.
