

JUST ONE PERSON

If just one person believes in you.

Deep enough, and strong enough, believes in you
hard enough, and long enough before you knew it,
someone else would think, if he can do it, I can do it.

Making it . . . Two!

Two whole people who believe in you.

And if two whole people believe in you,

Deep enough, and strong enough believe in you.

Hard enough, and long enough, there's bound to be some other person who
believes in making it a threesome.

Making it...Three

Three....people you can say, believe in me.

And if three whole people, why not Four.

And if four whole people, why not more, and more, and more. And when all those
people believe in you,

deep enough and strong enough believe in you,

hard enough and long enough

It stands to reason you, yourself will start to see what everybody sees in you.

And maybe even you can believe in you, too.
